An overnight berth at the quayside is required/not required.

St Clements Isle provides a safe anchorage from all except South Easterly winds, drying berths will be available for the oldest boats on South Pier.

We would like encourage you to arrive on the Thursday, so give yourselves a lager window of opportunity in case of bad weather. We will arrange free berthing with the Harbour Master for that extra day.

If you are participating, please send a bit history (and photo if possible), about your boat, to include in our Programme
